EM/2021/29

**SECOND REMINDER: External review of the draft nature futures framework is open until 31 October 2021**

Dear IPBES members, observers and other interested stakeholders,

With reference to notification [EM/2021/22](#) (6 September 2021), I would like to remind you that the external review of the draft nature futures framework and methodological guidance is open until **31 October 2021**.

The aim of this review is to ensure the highest scientific quality and policy relevance of the draft nature futures framework and methodological guidance by engaging Governments and stakeholders.

If you would like to participate as an expert reviewer in this external review, please follow these steps:

1. Register as a user of the IPBES website (<https://ipbes.net/user/register>) if you have not already done so;
2. Register as an expert reviewer for the draft nature futures framework and methodological guidance at <https://ipbes.net/registration/nature-futures-framework> (this will only work when logged in first as an IPBES website user).

Once registered, you will immediately receive an email providing confidential access to the material and will be requested to submit your comments in English using a template available on the same webpage.

Please contact the technical support unit on scenarios and models at [TSU-IPBES.scenarios@pbl.nl](mailto:TSU-IPBES.scenarios@pbl.nl) for questions on the review of the draft nature futures framework.

Thank you again in advance for your participation and assistance in strengthening the usefulness of the nature futures framework through this external review and your continued support to IPBES.

I thank you for your continued support to IPBES.

**Dr Anne Larigauderie** | Executive Secretary  
Intergovernmental Platform on Biodiversity and Ecosystem Services (IPBES)
