

Capacity-building activities by supporting organizations and institutions in the period 2022-2023, including submissions in response to a call from the Executive Secretary of IPBES to support the uptake and use of IPBES Values and Sustainable Use Assessments ([EM/2022/27](#)).

<i>Name of lead organization</i>	<i>Country</i>	<i>Website</i>	<i>Title of contribution</i>	<i>Type of contribution</i>	<i>Supporting uptake of approved IPBES assessments and other products</i>	<i>Which objective(s) and sub-objective(s) does the contribution support</i>
Department of Conservation Ecology and Entomology, Stellenbosch University	South Africa	www.sun.ac.za	Conservation Values, Ethics and Philosophies for course: "Conservation in Social-Ecological Systems" - IPBES Assessment tools	Learning material	Values Assessment	Objective 2(a): Enhanced learning and engagement
Bureau d'études ECONAT-Concepts	Switzerland	econat@bluewin.ch	Ecosystem approach to the landscape. Management of the natural capital of the environment. Methodological guide.	Learning material	Values Assessment; Global Assessment of Biodiversity and Ecosystem Services; Scenarios and Models Assessment; Land Degradation and Restoration Assessment	Objective 2(c): Strengthened national and regional capacities
ICCROM (International Centre for the Study of the Preservation and Restoration of Cultural Property)	Italy (working internationally)	https://www.iccrom.org/programmes/our-collections-matter/our-approach	Our Collections Matter: enabling sustainability through collections and conservation	Workshop; Learning material; Training courses (online and in-person)	Sustainable Use of Wild Species Assessment; Values Assessment; Global Assessment of Biodiversity and Ecosystem Services; Land Degradation and Restoration Assessment	Objective 2(a): Enhanced learning and engagement; Objective 2(b): Facilitated access to expertise and information; Objective 2(c): Strengthened national and regional capacities
IUCN	Switzerland	https://www.iucn.org/	Web story: https://www.iucn.org/news/202207/sustainable-use-re-affirmed-key-conservation-new-un-report	Learning material	Sustainable Use of Wild Species Assessment	Objective 2(b): Facilitated access to expertise and information
MKAAJI MPYA asbl	Democratic Republic of Congo	https://mkaajimpya.org	The contribution of indigenous peoples to biodiversity conservation in the context of poverty	Workshop	Sustainable Use of Wild Species Assessment; Global Assessment of Biodiversity and Ecosystem Services; Regional Assessment of Biodiversity and Ecosystem Services for Africa	Objective 2(a): Enhanced learning and engagement; Objective 2(b): Facilitated access to expertise and information
VICAM: Vicuñas, camélidos y ambiente	Argentina	www.vicam.org.ar	Las valoraciones de la naturaleza. Su importancia para un mundo mas justo y sostenible.	Workshop; Conference; Learning material	Values Assessment; Global Assessment of Biodiversity and Ecosystem Services	Objective 2(a): Enhanced learning and engagement; Objective 2(b): Facilitated access to expertise and information; Objective 2(c): Strengthened national and regional capacities
China Biodiversity Conservation and Green Development Foundation	China	http://www.cbcdgf.org/	Spread and learn about IPBES assessments and products	Learning material	Sustainable Use of Wild Species Assessment; Values Assessment; Global Assessment of Biodiversity and Ecosystem Services; Pollination Assessment; Scenarios and Models Assessment; Land Degradation and Restoration Assessment; Regional Assessment of Biodiversity and Ecosystem Services for Africa; Regional Assessment of Biodiversity and Ecosystem Services for Asia and the Pacific; Regional Assessment of Biodiversity and Ecosystem Services for the Americas; Regional Assessment of Biodiversity and Ecosystem Services for Europe and Central Asia	Objective 2(a): Enhanced learning and engagement
Geo-Tech Consultancy Services	Pakistan	https://www.gcspakistan.com	Capacity Building for use of IPBES Values and Sustainable use Assessments.	Workshop	Values Assessment; Scenarios and Models Assessment; Land Degradation and Restoration Assessment	Objective 2(a): Enhanced learning and engagement; Objective 2(b): Facilitated access to expertise and information; Objective 2(c): Strengthened national and regional capacities
UNDP - BES-Net	Kenya (Opeating globally)	https://www.besnet.world/	BES Solution Fund to support the IPBES assessment uptake	Financial support	Sustainable Use of Wild Species Assessment; Global Assessment of Biodiversity and Ecosystem Services; Pollination Assessment; Land Degradation and Restoration Assessment; Regional Assessment of Biodiversity and Ecosystem Services for Africa; Regional Assessment of Biodiversity and Ecosystem Services for Asia and the Pacific; Regional Assessment of Biodiversity and Ecosystem Services for the Americas; Regional Assessment of Biodiversity and Ecosystem Services for Europe and Central Asia	Objective 2(b): Facilitated access to expertise and information; Objective 2(c): Strengthened national and regional capacities

UNDP - BES-Net	Kenya (Opeating globally)	https://www.besnet.world/	Indigenous Youth and Intergenerational Wisdom Storytelling Virtual Event	Conference	Sustainable Use of Wild Species Assessment	Objective 2(b): Facilitated access to expertise and information
Papua New Guinea Forest Research Institute	Papua New Guinea		The social and cultural influences on Sustainable Forest Management in indigenous forest communities in Papua New Guinea	This is my Master of Philosophy (MPhil) Research Proposal which I am currently working on as a research project for my thesis for my MPhil studies. I am currently waiting on funding to execute field work for social data collection around my proposed sites	Sustainable Use of Wild Species Assessment; Values Assessment; Scenarios and Models Assessment; Land Degradation and Restoration Assessment	Objective 2(b): Facilitated access to expertise and information
Ministry of the Environment	Japan		Public seminar on the results of IPBES9	Workshop	Sustainable Use of Wild Species Assessment; Values Assessment	Objective 2(b): Facilitated access to expertise and information
Ministry of the Environment	Japan		Development of a summary on key findings of the SPM of the Sustainable Use Assessment in Japanese	Learning material	Sustainable Use of Wild Species Assessment	Objective 2(b): Facilitated access to expertise and information
Ministry of the Environment	Japan		Development of a summary on key findings of the SPM of the Values Assessment in Japanese	Learning material	Values Assessment	Objective 2(b): Facilitated access to expertise and information
Ministry of the Environment	Japan		Development of a Japanese translation of the SPM of the Sustainable Use Assessment	Learning material	Sustainable Use of Wild Species Assessment	Objective 2(b): Facilitated access to expertise and information
Ministry of the Environment	Japan		Development of a Japanese translation of the SPM of the Values Assessment	Learning material	Values Assessment	Objective 2(b): Facilitated access to expertise and information
Government of Canada, Environment and Climate Change Canada	Canada		Summary of the sustainable use of wild species assessment	Learning material	Sustainable Use of Wild Species Assessment	Objective 2(b): Facilitated access to expertise and information
Government of Canada, Environment and Climate Change Canada	Canada		Summary of the multiple values of nature assessment	Learning material	Values Assessment	Objective 2(b): Facilitated access to expertise and information
National Pingtung University of Science and Technology NPUST	Taiwan	https://moodle.npust.edu.tw/moodle/course/view.php?id=12804	learning material for university course: Citizen Participation and Sustainable City	Learning material	Regional Assessment of Biodiversity and Ecosystem Services for Africa; Regional Assessment of Biodiversity and Ecosystem Services for Asia and the Pacific; Regional Assessment of Biodiversity and Ecosystem Services for the Americas; Regional Assessment of Biodiversity and Ecosystem Services for Europe and Central Asia	Objective 2(a): Enhanced learning and engagement
African forum for International Relations in Research & Development (AFIRRD)	Uganda		Localize IPBES Values and Sustainable Use Assessments	Commentary	Sustainable Use of Wild Species Assessment; Values Assessment; Global Assessment of Biodiversity and Ecosystem Services	Objective 2(a): Enhanced learning and engagement; Objective 2(b): Facilitated access to expertise and information; Objective 2(c): Strengthened national and regional capacities
Independent Scientist	Colombia		Transformative governance: integrating the plurality of values of forests into REDD+ under the Biodiversity Climate-Society nexus across spatial scales	Workshop	Values Assessment	Objective 2(a): Enhanced learning and engagement; Objective 2(b): Facilitated access to expertise and information; Objective 2(c): Strengthened national and regional capacities

Swedish Environmental Protection Agency	Sweden		Att v�rdera ekosystemtj�nster samt att utveckla indikatorer f�r biologisk m�ngfald p� landskapsniv�	Conference	Values Assessment	Objective 2(a): Enhanced learning and engagement; Objective 2(c): Strengthened national and regional capacities
International Environment Forum	Switzerland	https://www.iefworld.org	Group Study of the IPBES Assessment on the Values of Nature	Workshop	Values Assessment	Objective 2(a): Enhanced learning and engagement
Institute of the History of Science, Azerbaijan National Academy of Sciences	Azerbaijan	http://historyofscience.az/en/	Involvement of traditional knowledge and practice of the indigenous peoples of the Greater Caucasus Highlands in the conservation of biological and cultural diversity.	Publish the book "Ethnobotanical Biocultural diversity of the Highlands of the Greater Caucasus", which examines the floristic diversity and complex biological and socio-cultural characteristics of the Shahdagh Highlands of Azerbaijan	Values Assessment; Regional Assessment of Biodiversity and Ecosystem Services for Europe and Central Asia; Knowledge synthesis of the Ethnobotanical Biocultural diversity of the Highlands of the Greater Caucasus: a case study for the Assessment of Biodiversity and Ecosystem Services in Azerbaijan	Objective 2(a): Enhanced learning and engagement; Objective 2(b): Facilitated access to expertise and information; Objective 2(c): Strengthened national and regional capacities
Deutsche IPBES Koordinierungsstelle	Germany	https://www.de-ipbes.de/	Translation of the Summary for Policy-makers of IPBES "Values" and "Sustainable Use of Wild Species" Assessments into German (laid out courtesy translation available at ipbes.net)	Translation into German	Sustainable Use of Wild Species Assessment; Values Assessment	Objective 2(b): Facilitated access to expertise and information
German IPBES Coordination Office (Deutsche IPBES Koordinierungsstelle)	Germany	https://www.de-ipbes.de/	Involving national IPBES-relevant stakeholders in scoping and assessment reviews as well as discussions on uptake and use of the two newly finalized assessments on "Values" and "Sustainable Use of wild species"	Workshop	Sustainable Use of Wild Species Assessment; Values Assessment	Objective 2(b): Facilitated access to expertise and information
German IPBES Coordination Office (Deutsche IPBES Koordinierungsstelle)	Germany	https://www.de-ipbes.de/	The newsletter of the German IPBES coordination office reports bi-annually on all processes and developments on the assessment phases of Values and Sustainable Use as well as on outreach activities, uptake, and insights into use of both assessments.	Newsletter	Sustainable Use of Wild Species Assessment; Values Assessment	Objective 2(b): Facilitated access to expertise and information
German IPBES Coordination Office (Deutsche IPBES Koordinierungsstelle)	Germany	https://www.de-ipbes.de/	Presenting the findings of the IPBES Assessments on Values and Sustainable Use of wild species at the open-door day of the Federal Government of Germany (20-21 August 2022 in Berlin) to the general public	Open-door day	Sustainable Use of Wild Species Assessment; Values Assessment; Global Assessment of Biodiversity and Ecosystem Services; Pollination Assessment; Scenarios and Models Assessment; Regional Assessment of Biodiversity and Ecosystem Services for Europe and Central Asia	Objective 2(b): Facilitated access to expertise and information
Norwegian Environment Agency	Norway	https://www.environmentagency.no/	Launch of IPBES Values Assessment - how do we incorporate values into decision-making?	Meeting	Values Assessment	Objective 2(a): Enhanced learning and engagement; Objective 2(b): Facilitated access to expertise and information
Norwegian Environment Agency	Norway		StoryMap - a guide to the SPM for the Values assessment	Learning material	Values Assessment	Objective 2(b): Facilitated access to expertise and information
