

Stakeholder Day at IPBES10

27 August 2023

World Conference Center, Bonn, Germany

Meeting Information and Agenda

Stakeholder Day is organized by and for stakeholders, on the day prior to the IPBES Plenary session as an opportunity for all interested individuals and organizations to get the latest information about IPBES and its work, informally discuss specific aspects of the Plenary session's agenda and share experience of their engagement in IPBES with other stakeholders.

After the panel sessions, the self-organized stakeholder networks ONet and IIFBES will organize breakout groups to finalize the stakeholder opening statements to be delivered during Plenary.

Participation in Stakeholder Day is open to all. Registration for Stakeholder Day does not give access to Plenary.

Practical information:

All times indicated in the agenda are CEST (UTC+2).

The badge pick-up desk will be open on Sunday, 27 August from 8 am onwards, at the World Conference Center Bonn, in front of the 'New York' Hall.

Please note that Stakeholder Day badges are distinct from those for the Plenary session. Upon arrival at WCCB, Stakeholder Day attendees are requested to head directly to the 'New York' Hall for badge pick-up.

The meeting will be webcast live from 11 am onwards, to respect the confidentiality of the Invasive Alien Species assessment report presentation. The full day recording will be made available on the IPBES website after the event.

To follow the meeting online, register here: <https://bit.ly/SHDregistration>

Posters will be displayed outside the meeting rooms in the WCCB: they are submissions by IPBES stakeholders showcasing IPBES-related work, research and information or examples of successful uptake of IPBES assessments and the impact achieved.
