

## BISHWA NATH OLI

Kathmandu Metropolitan City-10, Simrik Marga, Buddhanagar, NEPAL

### EDUCATION

University	Degree	Year
Faculty of Sciences, University of Copenhagen, Denmark	Ph D (Forest Policy/Governance)	2015
University of Life Sciences, Norway	M. Sc. in Management of Natural Resources and Sustainable Agriculture	2000
Institute of Forestry, Tribhuvan University, Pokhara, Nepal	B. Sc. in Forestry	1996
Tribhuvan University, Nepal	Bachelors' in Business Studies	1993
Institute of Forestry, Tribhuvan University, Hetauda, Nepal	I. Sc. in Forestry	1989

### WORK EXPERIENCE

DURATION	POSITION, ORGANIZATION AND MAJOR RESPONSIBILITIES
Oct-Dec 2022	<b>Senior Consultant, CIFOR-ICRAF, Indonesia</b> Accomplished the task of developing project proposals on "Rubber Agroforestry for Landscape Restoration and Livelihoods Improvement in Nepal" and "Ten million Bamboo Initiative for Restoration of Degraded Land in <i>Chure</i> Region of Nepal".
Aug-Nov 2022	<b>Senior Consultant, International Centre for Integrated Mountain Development, Head Office, Nepal</b> Major responsibility includes development of national document on environment and climate change policies of Nepal. Reviewed policies and programmes regarding environment, biodiversity, pollution, wetlands, climate change, sustainable development goals etc.
Jun-Aug 2022	<b>National Consultant, Global Green Growth Institute, Country Office, Nepal</b> Major responsibilities include to review the detail project proposal prepared by the GIZ Nepal and Global Green Growth Institute, Nepal for submission to the NAMA Support Program.
April-Dec 2022	<b>Senior Consultant, Price Waterhouse Coopers, Nepal Office</b> Major responsibility includes development of national document on green financing taxonomy for Nepal in collaboration with International Consultant from Climate Finance Asia, Singapore.
March-Jun 2022	<b>Team Leader, Lumbini Environmental Services (Assignment of ILaM Project)</b> Led the multidisciplinary team to carry out "Participatory Assessment to Identify Priority Communities and Forest Areas in Project Sites".
Nov 2021-May 2022	<b>National Consultant, Food and Agriculture Organizations of the United Nations, Country Office Nepal</b> Major responsibility includes profile development of Community-based Organizations (CBOs) in Project Area of GCF-funded Building Climate Resilient Churia Region, Nepal project.
Nov-Dec 2021	<b>National Consultant, Global Green Growth Institute, Country Office, Nepal</b> Major responsibility includes development of national roadmap of bamboo sector in Nepal and institutional guidelines for promoting bamboo sector in Nepal.
Sep-Nov 2021	<b>National Consultant, Economic Policy Incubator, The Palladium Group, Nepal</b> Major responsibilities include to develop Climate Change Policy for Karnali Province and Lahan Municipality.

<b>Aug-Sep 2021</b>	<b>Technical Advisor, WWF Nepal</b>
	Major responsibilities include to provide technical advice on development of Provincial Climate Change Strategy and Action Plans of all seven provinces of Nepal.
<b>July-Aug 2021</b>	<b>National Consultant, WWF Nepal</b>
	Major responsibilities include to prepare National Policy Brief for 15 <sup>th</sup> Conference of Parties meeting of the Convention on Biological Diversity.
<b>June 2021</b>	<b>National Consultant, Oxford Policy Management, Nepal</b>
	Major responsibilities include to review the Climate Change Loss and Damage Framework prepared for Ministry of Forests and Environment, Government of Nepal.
<b>May-July 2021</b>	<b>Reviewer, ICIMOD</b>
	Major responsibilities include to review "Freshwater Ecosystem Assessment Handbook" prepared by the ICIMOD.
<b>May 2021</b>	<b>National Consultant, GIZ Office Nepal</b>
	Major responsibilities include to review the NAMA project proposal prepared by the GIZ Nepal and Global Green Growth Institute, Nepal for submission to the NAMA Support Program.
<b>Apr 2018-April 2021</b>	<b>Secretary, Ministry of Forests and Environment, Government of Nepal, Kathmandu, Nepal</b>
	Major responsibilities include overall policy and planning of forestry, environment and climate change, climate-induced disaster, REDD+, coordination with development partners, government organizations and national and international partners including the World Bank, climate negotiation, leading the multicultural and multidisciplinary teams of the ministry and its programmes, resource mobilization, monitoring and evaluation. Directly involved in formulation of National REDD+ Strategy 2018, National Ramsar Strategy and Action Plan, National Environment Policy 2019, National Forest Policy 2019, National Environment Policy 2019, National Agroforestry Policy 2019, Environment Protection Act 2019, LAPA Framework 2019, Environment Protection Regulations 2020, CITES Regulations 2019, NDC report 2020. Signed Emission Reduction Purchase Agreement with the World Bank on behalf of Government of Nepal.
<b>Nov 2017-Apr 2018</b>	<b>Secretary, Ministry of Livestock Development, Government of Nepal, Kathmandu, Nepal</b>
	Major responsibilities include overall policy and planning of livestock services and animal health sector in Nepal, coordination with development partners, government organizations and international partners, staff management of multidisciplinary teams of the ministry and its programmes, resource mobilization, monitoring and evaluation.
<b>Apr 2016-Nov 2017</b>	<b>Secretary, Ministry of Population and Environment, Government of Nepal</b>
	Major responsibilities include overall policy and planning of environment, climate change, climate-induced disaster, renewable energy and population management sectors in Nepal, coordination with development partners, government organizations and national and international partners, climate negotiation, leading the multicultural and multidisciplinary teams of the ministry and its programmes, resource mobilization, monitoring and evaluation. Involved in formulation of Environment Standards, Renewable Energy Subsidy Policy 2017, Biomass Energy Strategy 2017.
<b>Sept 2014 to 18 April 2016</b>	<b>Joint Secretary, Foreign Aid Coordination Division, Ministry of Forests and Soil Conservation, Government of Nepal, Kathmandu, Nepal</b>
	Major responsibilities include project formulation of forestry, REDD+ and biodiversity sectors in Nepal, coordination with development partners, non-state actors and international partners, monitoring of projects and programmes, focal person to the international organizations
<b>May 2013-Sep 2014</b>	<b>Director General, Department of Forests, Government of Nepal, Kathmandu, Nepal</b>
	Major responsibilities include overall planning of forestry sector of Nepal, management of nearly 7,500 staff under the department, coordination with development partners and

	non-state actors, leading the multicultural and multidisciplinary teams of the department, resource mobilization, monitoring and evaluation
<b>Sep 2012- May 2013</b>	<b><i>Joint Secretary, Environment Division, Ministry of Forests and Soil Conservation, Government of Nepal, Kathmandu, Nepal</i></b>
	Major responsibilities include planning of environment and biodiversity sectors in Nepal, review of Environment Impact Assessment and Initial Environment Examination reports, coordination with development partners, government organizations and national and international partners, focal person to the Convention on Biological Diversity. Involved in preparation of National Biodiversity Strategy and Action Plan (2014-2020), National Report on Biodiversity.
<b>Nov 2010- Sep 2012</b>	<b><i>Regional Director Mid-western Regional Forestry Directorate, Surkhet, Nepal</i></b>
	Major responsibilities include overall planning of forestry and biodiversity sectors of the region, coordination with development partners and other non-state actors, monitoring and evaluation of projects and programmes in the region. Reviewed and endorsed IEE reports in the forestry sector.
<b>Apr 2009- Nov 2010</b>	<b><i>Joint Secretary Ministry of Forests and Soil Conservation, Government of Nepal, Kathmandu, Nepal</i></b>
	Major responsibilities include overall policy and planning of forestry, biodiversity and environment sectors in Nepal, coordination with development partners and other non-state actors, monitoring of projects and programmes.
<b>Jun 2004- Mar 2009</b>	<b><i>Forest Research Officer (Undersecretary), Department of Forest Research and Survey, Government of Nepal, Kathmandu, Nepal</i></b>
	Major responsibilities include carrying out forestry research and studies, preparation of reports, editing journal articles, preparation of country report for Global Forest Resource Assessment, Asia Pacific Forestry Outlook, monitoring of programmes.
<b>Mar 1996- Jun 2004</b>	<b><i>Forest Research Officer Department of Forest Research and Survey, Government of Nepal, Kathmandu, Nepal</i></b>
	Major responsibilities include carrying out forestry research and studies, preparation of reports, editing journal articles, monitoring of programmes.
<b>Jun 1989- Jul 1993</b>	<b><i>Forest Research Assistant Forest Research Division, Government of Nepal, Kathmandu, Nepal</i></b>
	Major responsibilities include carrying out forestry research and studies, field measurement, data entry and analysis, support in preparation of reports, monitoring of programmes.

## PROFESSIONAL AFFILIATION

- Bureau Member, Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services (IPBES) (2022 onwards)
- Board Member, Centre for Green Economy Development Nepal (2021 onwards)
- Adjunct Professor, Faculty of Forestry, Agriculture and Forestry University, Nepal (Oct 2021 onwards)
- Vice Chair, Asia Pacific Forestry Commission (2019-2021)
- Life member of Nepal Foresters Association
- Senate Member, Agriculture and Forest University, Nepal (2018-2021)
- Senate Member, Nepal Open University, Nepal (2018-2021)
- General member of Forum of Natural Resource Managers, Nepal

## LANGUAGE ABILITY

English (excellent), Nepali (mother tongue), Hindi (excellent), French (Elementary)

## PROFESSIONAL TRAINING

<b>DURATION</b>	<b>TRAINING</b>
Nov-Dec, 2011	Successfully completed training on 'Senior Executive Development Programme for Joint Secretaries (08 Nov to 12 Dec, 2011)' organized by Nepal Administrative Staff College, Lalitpur, Nepal.
October 2008	Participated International Training and Workshop on Invasive Species, 26-31, October 2008, Wuhan, China.
June 2007	Participated 2 weeks training workshop on "Bamboo & Rattan Utilization in Developing Countries" organized by International Center for Bamboo and Rattan, Beijing, China.
November 2004	Participated 2 weeks training course on "Introduction to GIS and Remote Sensing" organized by Department of Forest Research and Survey and BISEP-ST of Ministry of Forests and Soil Conservation, Kathmandu, Nepal.
May-June 2002	Participated 15 days training course on "Environmental Assessment: Principles and Procedures" organized by Planning Division of Ministry of Forests and Soil Conservation, Kathmandu, Nepal.
April 2002	Participated 5 days training course on "Trees Outside Forests Assessment" jointly organized by Forest Survey of India, Dehradun and FAO.
April-May 1998	Participated three weeks training course on "Forestry Research Project Formulation, Monitoring and Evaluation" organized by College of Forestry, University of the Philippines and FAO.
Dec 1997	Participated 14 days training course on "PRA Tools and Application" organized by Department of Forests, Babarmahal, Kathmandu

#### OTHER CONTRIBUTION

- Served as Chairperson of Nepal Forest Corporation from August 2019 to April 2021
- Served as Steering Committee Chairperson of various projects related to forestry, REDD+ and climate change in Nepal
- Served as a Board Member of Alternative Energy Promotion Centre, Nepal from April 2016 to Nov 2017
- Served as a member of Governing Board of National Trust for Nature Conservation from April 2016 to Nov 2017 and April 2018 to April 2021
- Served as Council Member to Asia Pacific Forestry Network for Sustainable Forest Management (APFNet) from Sept 2014 to April 2016

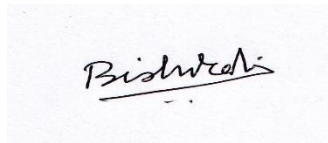

- Served as a National Focal Point to United Nations Framework Convention on Climate Change from 25 April 2016 to 19 Nov 2017 and 15 April 2018 to April 2021
- Served as a National Focal Point for United Nations Convention on Biological Diversity, Sept 2012 to May 2013
- Served as a National Focal Point to the UN Environment from April 2018 to April 2021
- Worked as member/member secretary of Editorial Board of '*Banko Janakari*', a journal of forestry information in Nepal
- Served as Advisor of Editorial Board of '*Nepal Journal of Forestry*' from May 2012- April 2014
- Reviewed manuscripts of '*Environment Challenges*', '*Small-scale Forestry*', '*Forest Policy and Economics*', '*Journal of Forestry Research*', '*Banko Janakari*', '*Nepal Journal of Forestry*' etc.
- Reviewer of Agroforestry Systems and Practices in Nepal 2018
- Reviewer of Nepal Forestry Handbook 2017
- Reviewer of Snow Leopard Atlas Nepal 2013
- Served as External Supervisor of M.Sc. and B. Sc. students of Pokhara University, Nepal; TERI University India
- Serving as an expert and examiner to the Public Service Commission of Nepal

#### **PARTICIPATION IN INTERNATIONAL EVENTS**

- Participated at several international meetings, workshops, conferences representing Nepal including United Nations Climate Change Conference, United Nations Biodiversity Conference, CITES Conference, Basel Rotterdam and Stockholm (BRS) Conference among others.
- Collaborated with international organizations in a number of issues related to environment, biodiversity, climate change and in organizing IPCC workshops in Nepal.

#### **CERTIFICATION**

I certify that to the best of my knowledge and belief, provided data correctly describes me, my qualification and experience.

9<sup>th</sup> February 2023
