

ESP

Ecosystem Services Partnership

www.es-partnership.org

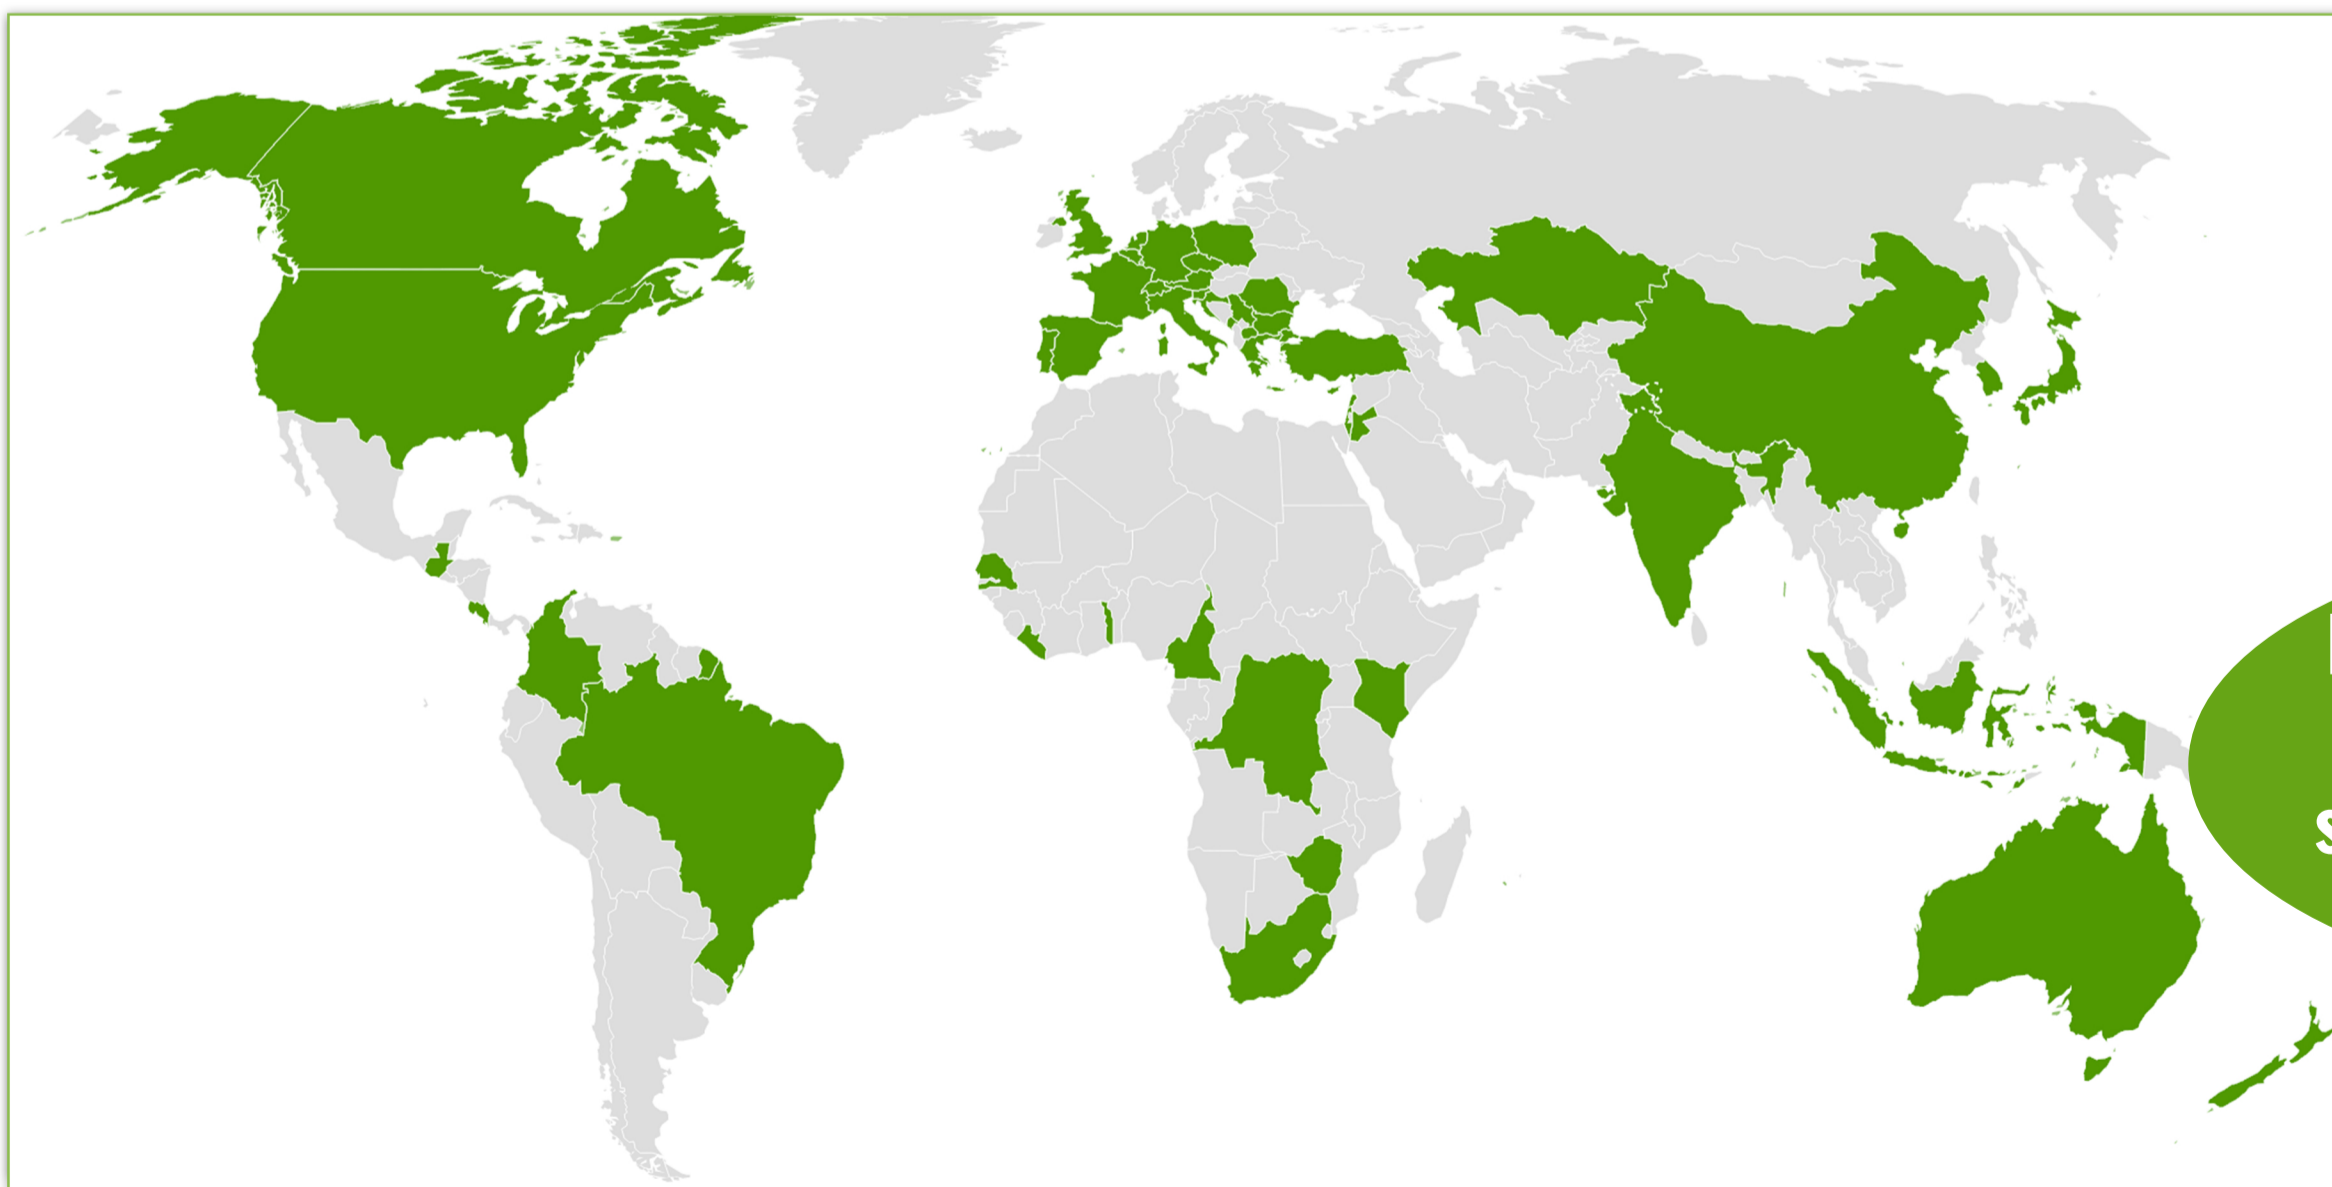

What we do:

- Connect experts from around the globe
- Provide a platform for collaboration
- Facilitate knowledge exchange on ecosystem services science, policy and practice

- Organise international conferences
- Support the development of guidelines and databases
- Partner with organisations in our field: YESS, IPBES, SER, IALE and Capitals Coalition

Where we are: Our established national ESP networks

ESP connects over 3000 Ecosystem Services scientists, policy makers and practitioners!

Be a part of the world's largest network on ecosystem services. Join our global effort for the future of our natural capital!
